DETAILED PROSPECTUS CHECKLIST

The Center for Great Commission Studies (CGCS) sponsors several mission trips each year. We go, literally, around the globe. Some trips will focus on evangelizing the lost, while others will concentrate on discipling national leaders to reach their own people.

With this detailed prospectus, faculty and adjuncts can submit a finalized proposal for a trip fitting the overall goals and focus of SEBTS mission trips. Professors must submit their detailed prospectus to the CGCS at least four months before the date of the trip. This timeline allows professors and students to plan for the trip, for SEBTS to advertise the trip, and for travel agents to finalize acceptable ticket fares. Please address any questions to the CGCS about how to prepare this mission trip prospectus.
